

Bali Mystical Tour

Spirituality, Sacred Sites & Connection

What is my next step in transforming my life
into full alignment with the Universe?

presented and hosted by **Barry Auchettl** and local Balinese Healers
Creator of *Conversations - an inspirational game*

The intent of the Bali Mystical Tour is to

Be who you truly are and transform your life

Bali, the ultimate spiritual destination. See rice terraces which layer the hillsides like gigantic stepping stones, marvel at volcanoes reaching through the clouds, dense tropical jungles with meandering trails, long sandy beaches, warm blue waters and above all friendly people who don't just have a culture, they actually live it. This can be seen in their ceremonies, festivals, magnificent temples and palaces. This fascinating culture comes to life with traditional dances adorned with vivid costumes and incredible stemmed fingers.

Truly the experience of a lifetime!
